

Know someone who loves to host? Give the gift of a portable pizza oven from Living and Home which cooks dough in less than 60 seconds, or wrap up a pair of colourful salt and pepper mills by Addison Ross. If you're shopping for a wine lover, we've got gifts for you to choose from too, including a set of four Riedel wine glasses and an amber glass decanter from Ichendorf Milano.

Still unsure what to get? You can't go wrong with one of Pro Cook's slick cast iron casserole pots or a fashionable Alessi blender that makes soups, smoothies and sauces. Happy shopping! **Hannah Evans**
